

Create Calculations with Negative Numbers

Create 3 calculations using integers between -20 and 0

$$\dots + 3 =$$

$$\dots + 3 =$$

$$\dots + 3 =$$

Create 3 calculations using integers between -20 and 20

$$\dots + \dots = 3$$

$$\dots + \dots = 3$$

$$\dots + \dots = 3$$

Create 3 calculations using integers between -20 and +20

$$\dots + \dots = 7$$

$$\dots + \dots = -5$$

$$\dots + \dots = -13$$

Create 3 calculations using integers between -20 and +20

$$\dots - \dots = -5$$

$$\dots - \dots = -5$$

$$\dots - \dots = -5$$
